It is the policy of the Lake Monticello Owners' Association to provide and maintain community recreational facilities for the use and enjoyment of members, their families and their guests. The facilities are operated at the minimum possible cost, while still maintaining a standard of quality and value consistent with the desires of a majority of the members.

- B. Commercial use of the recreational facilities shall be prohibited unless a contract to provide a specific service has been executed by the Association or a rental agreement is entered into for the use of a recreational amenity.
- C. LMOA may sponsor various Lake activities during the year. Approval of the General Manager must be obtained prior to scheduling these events. Rental of the Lake for any type of activity is prohibited.
- D. No member may transfer the right to use an amenity to any other member or individual, unless specifically provided for in the Association's Bylaws or in this Policy Manual.
