

**LMOA POLICY MANUAL**

**CHAPTER FIFTEEN - Section 15.05**

Subject: Snow Removal  
Contact: General Manager

Date: January 11, 1984  
Amended: September 21, 1989

**I. POLICY**

It is the policy of the LMOA Board of Directors that a detailed snow removal plan be developed and thereafter maintained to reflect any change in type and amount of equipment and in location of critical areas.

**II. RESPONSIBILITIES**

It is the responsibility of the General Manager to ensure that drivers are trained to operate and maintain equipment, that equipment is prepared for the snow season, that the supply of sand is adequate and that drivers are familiar with snow removal routes and priorities.

The General Manager shall keep a current listing of outside contractors who may be available to remove snow in the event that the work cannot be done by the Maintenance Department.
