

KEEP THE LAKE IN GOOD HANDS

RUN FOR THE BOARD

BE A LEADER. MAKE A DIFFERENCE.

Are you an LMOA Member in good standing? Then now is your time to shine! You can make a world of difference right here at home by serving on the Board of Directors of the Lake Monticello Owners' Association. Here's how:

- Petition packets will be available starting January 30, 2026. Paper packets will be available at the Ashlawn Clubhouse. Electronic packets can be obtained by emailing Executive Assistant Megan Fitzgerald at mfitzgerald@lmoa.org.
- Collect at least 150 signatures of members in good standing by 5 PM on March 30, 2026 to qualify.
- Once the Election Committee verifies signatures, the Board will announce official candidates at the April 8, 2026 Special Open Session to address the 2026 Annual Meeting.
- If certified, your campaign can begin!
- Members in good standing will vote May-June, and the newly elected board members will be announced at the Annual Meeting on June 27, 2026.
