

# RUN FOR THE BOARD!

Are you an LMOA Member in good standing? Then now is your time to shine! You can make a world of difference right here at home by serving on the Board of Directors of the Lake Monticello Owners' Association. Here's how:

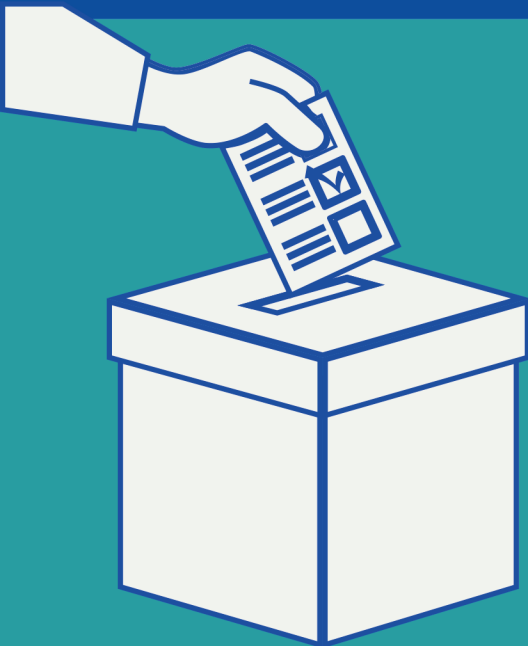

- Pick up a petition packet starting January 26 at the Ashlawn Clubhouse.
- Collect at least 150 signatures of members in good standing to qualify.
- Once the Election Committee verifies signatures, the Board will announce official candidates in April. If certified, your campaign can begin! The LMOA Broadcast Group will even record an interview with you!
- Members in good standing will vote May-June, and the winners will be announced at the Annual Meeting on June 22, 2024.

The Membership elects 7 volunteer homeowners to govern LMOA. They serve 3-year terms and work with staff and committees to create and change policy while safeguarding the community's property values. It's a big commitment but one of the most rewarding ways you can contribute where it matters most!

**Join Our Broadcast Group!**

Would you rather make a difference by doing something creative? From cooking shows to live board meetings, LMOA's Broadcast Group records it all! No experience is necessary. Learn how to operate a camera and edit footage from a professional for free! This is the perfect opportunity for an adult who wants to start a new hobby or for high school students who need volunteer hours.

Sound like fun?
