## Fluvanna County Residential Areas Targeted

In many cases, **multiple vehicles** are being targeted in the same area during overnight hours, with suspects actively checking for unlocked doors and visible valuables.

### DON'T BE AN EASY TARGET

- **LOCK YOUR VEHICLES** – Most entries are into unlocked cars
- **REMOVE KEYS & KEY FOBS** – Never leave them inside
- **HIDE OR REMOVE VALUABLES** – Money, firearms, electronics, bags
- **CHECK YOUR VEHICLES DAILY** – Especially if parked outside overnight  
Most incidents occur overnight
